MEMORANDUM FOR: Colonel White

SUBJECT : Special Clandestine Services Orientation Course

1. Attached is a report of the final running of the Special Clandestine Services Orientation. The report was prepared by the Chief Instructor and has been forwarded by Matt Baird without comment. Please note the recommendation in paragraph 3 which is sound but I suggest need not be formalized at this time.

2. You may recall that in August we forwarded to D/Personnel, D/Security, D/Training, and Comptroller re-statements of certain of the administrative problems identified in the first two runnings of this course. These problems were considered by the Clandestine Services to be of major import and the DD/S Offices were asked to undertake studies of each and to develop solutions. Also, they were requested to inform DD/S of progress and significant developments. This matter has been suspended for 1 Jan 56. It was contemplated then that you might wish to report to [REDACTED] on the overall achievement of the Special Clandestine Services Orientation Course at about that time.
